

Bettendorf Community School District

Outreach Services

The Bettendorf Community School District partners with many local organizations, civic groups, businesses, and community donors to provide services and opportunities for students. Some of these are offered free to students whose families may not be able to afford them. If you would like to share your student's meal eligibility status with the Outreach Program for the purpose of being considered for the services below, please check "YES" to "Allow my child(ren)'s name and meal eligibility to be shared with Outreach Services". The Outreach Program can only see your child(ren)'s status with permission of a parent/guardian. If you have any questions, please contact Miryam Andrews-Ohlman, Outreach Coordinator, at outreach@bettendorf.k12.ia.us or 563-468-3715. For more information about the Outreach Program, please visit <https://bettendorf.k12.ia.us/services/outreach-program>.
